

# MINDY'S GLAZE WORKSHOP

## FEATURING THE GLAZE TECHNIQUES: FROZEN POND & OMBRÉ

---

Participants should plan to bring 3 glazes:

2 Glazes can be in the same color family (one dark, one light), plus one accent color  
or 3 different glaze colors

You will need mid-fire glazes, Cones 5-6

You will also need a Flux Glaze: Amaco Potter's Choice Flux - many different color choices!!

Good choices are:

- Amaco Brand - Potters Choice
- Amaco Brand - Celadon
- Mayco Brand - Stoneware

See below for suggestions of combinations that Mindy has done previously:

### Coming out Lighter Blue:

Amaco Potter's Choice in Indigo Float

Amaco Celadon in Obsidian
