Supply List:

Materials are not included in this course!

Beginners: The instructor will provide all the materials necessary for the first class when you will choose your project. At that time, a list of supplies will be provided that need to be purchased prior to the second class (glass, foil and solder).

Intermediate: Bring any tools/supplies to continue working on a project you have previously started, or you can choose a new project.

SAFETY:

- ***No sandals or open-toed shoes.***
- ***Safety glasses are required*** and provided for use in class by the instructor.

If you have any questions, please email the instructor at any time.
