Mondays with Mireille

You have the option of working in either Pastel or Oil Paint in this class! Materials are not included in this course!

Pastel Materials:

- Pastel – Nu-pastel, semi hard 12 assorted colors
    - For softer ones I like the half stick Sennelier. Their colors are fantastic. The more colors you have the better because it is not as easy to mix as paint.
- Paper or Boards
    - Canson Mi teintes, Art spectrum Colourfix fine tooth paper, or Pastel mat (If you use paper, I recommend a foam core to hold the paper with clips or tap)
- Razor Blade
- Hard Brush
- 18x24 Masonite board (suggested for ease of transport & for use in class. Not a requirement: we also have boards for communal use)

Oil Paint Materials:

- Paints
    - Ivory black
    - Titanium White
    - Cadmium Yellow Light
    - Cadmium Red Light
    - Ultramarine Blue
    - Cobalt blue
    - Magenta
    - Raw Umber
    - Burn sienna
- 3, 4 Medium size of bristle brushes Filbert (A big one for bigger canvas)
- Palette knife (Plastic is not great)
- Canvas of your choice. 11×14 is a good size for beginners
- Turpenoid for cleaning brushes
